NUMBER 17

LACK OF FUNDS HAMPER WORK ON OIL WELL

Shareholders Decide To Suspend Operations Until \$10,000 Development Fund Is Available

The adjourned annual general meeting of the Okanagan Oil & Gas Co., Ltd., operators of Kelowna Oil Well No. 1, held in Herbert's Business College, Casorso Block, on Monday evening, recommended to the incoming Directors that the well be shut down until the sum of \$10,000, which would be placed in a trust account, is available for drilling, and until sufficient funds are available to pay the accounts owing to the Workmen's Compensation Board and the one per cent wage tax owing to the Provincial Government.

This recommendation, incorporated in a resolution moved by Dr. B. deF. Boyce and Mr. E. A. Day, was unanimously endorsed by the meeting, which was more optimistic than the meeting called in the I.O.O.F. Temple on November 6th, when an adjournment was made owing to the fact that one or two items in the Auditors' report were obscure. At the first meeting, a committee composed of Messrs. W. Lloyd-Jones, G. S. McKenzie and G. D. Herbert was appointed to go into the matter and report back to the adjourned meeting, which was done to the general satisfaction of the shareholders. The auditors' report and financial statement, together with the committee's report, were passed at the adjourned meeting, a new directorate was elected and the financial position of the company reviewed.

Despite the fact that there is no money in the treasury at the present time to carry on operations, confidence in the possibilities of the well was sanguinely reiterated at Monday's meeting of shareholders. The depth of the well at present is 2,740 feet, and it is felt by more than a few that if a depth of 3,500 feet can be financed there will be a rich oil field in the Kelowna district.

Mr. Rickert Is Still Confident

Mr. Julius Rickert, M.E., F.R.G.S., the company geologist, declared at the meeting that "oil is coming out at the present depth." There was no doubt in his mind as to the potentialities of the field. "Don't be discouraged," he said. "I wouldn't stay here five minutes if I did not see any result from the work already done. I know for fifteen miles around what is down below. I'm getting old—77—and would like to see ten or fifteen wells here the same as in the Turner Valley, which I discovered."

Thirty years ago, said Mr. Rickert, he passed through Kelowna and saw from the fossils and the outcrop that there was something here, but he had no time then to stay and pursue his examination. "Stay with this well," he said, "and you will have oil and ten times as much money as you put into it."

New Directorate

The new directorate is composed of Messrs. J. E. Reekie, A. V. Surtess, E. G. McKenzie, G. D. Herbert and G. A. Carter. At a meeting of the Directors, held after the annual meeting, Mr. Reekie was elected President, Mr. Surtess, Vice-President, Mr. Herbert, Secretary-Treasurer, and Mr. McKenzie was re-elected Managing Director.

The account owing to the Workmen's Compensation Board amounts to \$929.29. Apparently, this claim has priority over all others and must be paid at once as the Board has instructed Sheriff Simms, of Vernon, who has notified the company, to make the collection. Fortunately, however, a market has been found for about \$900 worth of second-hand casing which the company has no use for, consequently the Compensation Board debt may be liquidated in its entirety by handing this piping over to the Sheriff for sale. The casing is held under chattel mortgage, but it is understood that the holders of the mortgage are prepared to release it for the purpose outlined.

The amount due the Provincial Government for the one per cent wage tax totals \$279.51. Other liabilities, none of which are pressing, include open accounts of over \$5,000, all of which, with the exception of \$1,200, is owed to local firms. Wages owing amount to \$3,800. Deferred accounts and loans reach a sizeable figure.

The meeting was called to order by Mr. E. G. McKenzie, after which Mr. G. S. McKenzie was elected to the chair and Mr. H. C. Francis was appointed secretary.

MANY ATTEND FIRE BRIGADE ANNUAL BALL

Eighteenth Of Series Proves The Usual Success

The eighteenth annual ball of the Kelowna Volunteer Fire Brigade was staged successfully in the Royal Anne Hotel on Thursday evening last, when a large crowd attended one of the outstanding social functions of the year. The programme dance continued from 9 p.m. until the early hours of Friday morning, with an interval before midnight for the usual bountiful supper provided by Kelowna housewives and served by members of the Brigade.

The rotunda of the hotel was artistically decorated for the occasion with fire-fighting equipment, lending an appropriate atmosphere to the function. Excellent dance music was provided by the Commanders Orchestra.

The Brigade is grateful for the support given by the public in this and previous years, and wishes to thank all who assisted in any way to make the eighteenth annual ball a success.

PRICES SET ON THREE KINDS OF LOOSE APPLES

Winter Banana, Jonathan And Snow Of Certain Sizes

Prices set by the Committee of the Okanagan Stabilization Board on Wednesday are as follows:

Winter Banana, for Vancouver only, loose in jumbo crates or apple boxes, sizes 163 and larger, orchard run, \$20 ton.

Jonathan, for prairie provinces only, loose in jumbo crates or apple boxes, sizes 138 and larger, Cee Grade or better, to be pooled as Cee Grade, \$20 ton.

Snow, for prairie provinces only, loose in jumbo crates or apple boxes, sizes 216 and larger, orchard run, \$20 ton.

An analysis of the crop movement as at the close of business on November 25th gives the following figures for McIntosh: domestic shipments, 345,008 boxes, or 26 per cent; export shipments, 580,342, or 43.7 per cent. Total, 925,350, or 69.7 per cent. Total shipments handled by the 1932 Cartel for the same period amounted to only 876,982 boxes.

Shipments of other varieties were as follows: domestic, 229,518 boxes, or 10.6 per cent; export, 1,043,738, or 48.3 per cent. Total, 1,273,256, or 88.9 per cent.

Distribution of McIntosh on the domestic market: boxes, 200,617; bulk, 144,391. Saskatchewan is shown as the biggest individual domestic market for McIntosh both in boxes and in bulk, this province having absorbed a total of 118,456 boxes to date.

RESIDENCES SHOULD NOT BE LEFT UNGUARDED

Thieves Use Pass Keys To Gain Entrance When Occupants Are Away

As a number of cases of petty thefts have been reported to the police within the past week, householders are urged not to leave cash on their premises when they are absent from their homes in the evening. Whenever possible, some one should be left in the house to keep watch as the thieves are using pass keys to gain entrance to homes when the occupants are away.

Evidently, the house breakers are after cash and nothing else, as no property has been stolen from the houses entered. On Tuesday night, \$35 in cash was stolen from a cash box in the home of Mr. Larson, of the North End Bakery, and a few dollars in cash were not to leave cash on their premises.

Bertram Rees was sentenced this morning to serve six months in jail for obtaining money by means of worthless cheques.

The case of Douglas Lachue, charged last week with being in possession of stolen property, was dismissed on Friday by Magistrate Burne.

MUNICIPALITIES HAVE HOPES OF NEW GOVERNMENT

VICTORIA, Nov. 30.—The Executive of the Union of B. C. Municipalities met Hon. G. S. Pearson, Minister of Mines and Labour, today and held a round-table discussion of unemployment and relief problems, at the close of which Mayor Leeming of Victoria announced that they had been sympathetically received, and he expressed confidence in the intentions of the government to create work and eliminate relief. The question of medical allowances had also received a sympathetic hearing, Mayor Leeming stated.

The Minister stated that the gathering had resulted in an exchange of views on co-operative work and the air had been cleared on several matters. He asked for the municipalities to submit suggestions for public works.

SEVEN YEARS AND TEN LASHES FOR BANK BANDITS

VANCOUVER, Nov. 30.—Sentences of seven years in the penitentiary and ten lashes were imposed today upon Fred Gagnon, Arthur Crowley and K. J. Feakins, who pleaded guilty to holding up a suburban branch of the Bank of Montreal and fleeing with \$3,800. The men were traced to Calgary and were arrested there. They had mailed \$3,000 of the money to Montreal, and it was recovered there.

KELOWNA WINES GAIN FAVOUR WITH PUBLIC

Domestic Wines & By-Products, Ltd., Secures Large Increase Of Business

Satisfactory progress during the year was reported at the annual meeting of shareholders of Domestic Wines & By-Products Ltd., held in the offices of the winery on Tuesday evening, when there was a good attendance.

A gratifying increase in sales since two new and popular wines, chateau and Burgundy, were brought out this year, was noted, and it was revealed that the company sold more wine in October and during the early part of November than in the previous six months. The company recently completed negotiations with the Saskatchewan Government for a trial order of 20,000 bottles.

Negotiations will be opened with other provinces for the sale of Kelowna wines, and confidence is expressed that eventually the market will be expanded to take care of the entire output of the plant, which is utilizing many tons of cull apples. The proposal is being considered to give an Ontario manufacturer the rights to make similar wines with the Monti process, but no definite arrangements have been made so far.

A company is being formed in Washington State by Mr. E. G. McKenzie, formerly of Kelowna, for the purpose of establishing a winery in and around Yakima. These people are negotiating with the Kelowna company for rights to use the Monti process.

At Tuesday's meeting of Domestic Wines & By-Products Ltd., the directorate was reduced from seven to five, a number less unwieldy. The directors for the ensuing year, all chosen from the old directorate, are as follows: Mr. W. A. C. Bennett (President), Mr. R. Capozzi (Vice-President), Mr. R. W. Ramsay, Dr. A. S. Underhill, Mr. J. J. Ladd. Retiring directors were Ald. O. L. Jones and Mr. E. A. Murchison.

OKANAGAN SCOUT LEADERS CONFERENCE

Record Attendance At Successful Sixth Annual Convention

The Patrol Leaders of seven Okanagan Boy Scout Troops assembled at Rutland on Saturday for their sixth annual conference. Thirty-two boys were present, a record number for the district, and a very enjoyable and helpful get-together it turned out to be.

The delegates assembled at the Rutland Community Hall at 10 a.m. for registration, and were formally welcomed to the district by Mr. E. Magford, President of the Scout Association, in a brief address. Mr. Magford jokingly remarked that the honour of performing this task had fallen upon his shoulders due to the unavoidable absence of the "mayor" of Rutland.

The conference then proceeded to discuss a great number of subjects covering the whole range of Scout activities, and the boys showed a surprising readiness to get on their feet and express themselves. Many useful ideas were brought out in this manner. The subject of holding an International Camp in 1934 took up a good deal of time and indications are that such a camp will be held, if co-operation can be had with Washington Scouts. At noon the visitors were guests of various Rutland families for the mid-day meal, convening again at 1.30 p.m. for a demonstration of various games and competitions. At 3 p.m. the boys were guests of the Empress Theatre, Kelowna, where they enjoyed the picture "Waltz King" and a comedy by the well known "Laurel and Hardy" team.

Returning again to the Rutland Hall, the Patrol Leaders sat down to a banquet prepared by the ladies of the local Scout Association, the boys doing ample justice to the viands placed before them. Two toasts were proposed, the first to the King, which was proposed by the chairman, Troop Leader Ritchie, and responded to by the singing of the National Anthem, and the second to "Baden-Powell," which was proposed by A. S. M. Ken Bond of Rutland, and responded to by District Commissioner E. C. Weddell, of Kelowna. The Commissioner spoke at some length on aims of the movement with especial emphasis on service to others, and also commented upon the various subjects discussed at the convention.

The concluding part of the convention was an enjoyable programme of songs, choruses and sketches, to which all Troops contributed one or more items. The Patrol Leaders were gathered around an artificial "campfire" in the main hall, Mr. W. C. Schell assisted them, and the various vocal numbers. The convention was brought to a fitting close with the singing of a Scout parting song, followed by the National Anthem.

The following Troops were represented at the convention: Oliver (2 Troops), Rutland and Salmon Arm. In addition to the Patrol Leaders, the following leaders were present as guests of the boys: Scoutmaster Mitchell, of Oliver; Scoutmaster Gray, of Rutland; A. S. M. Bond, of Rutland; S. M. Rattray, of Salmon Arm, and District Commissioner Weddell, of Kelowna.

The next convention will be in Vernon, when the P.L.s will be guests of the 2nd Vernon Troop.

SEASON FOR BUCK DEER CLOSES TODAY

Does Open From December 1st To December 15th

Sportsmen are reminded that the open season on buck deer closes today, November 30th. It is not lawful to shoot the male species after today. This is pointed out as there appears to be some misunderstanding of the Game Laws among hunters of deer.

Open season for doe begins tomorrow, December 1st, and continues until December 15th, during which time one doe may be shot by the individual hunter.

Those who enjoy white fish either fresh, salted or smoked as a winter dish should take a trip to Woods Lake, where these fish are now running. Gaff or net them, eat them fresh or salt them down.

CANADIAN CORPS COMMANDER IS DEAD

Pneumonia, Following Upon Other Serious Ailment, Proves Fatal To Sir Arthur Currie

MONTREAL, Nov. 30.—Sir Arthur Currie, who led the Canadian Corps to victory fifteen years ago and for the past thirteen years had guided the development of one of the country's greatest universities, died here at 2.50 this morning, aged fifty-seven. The indomitable will that had carried him through the dark days of the war and the long years of peace, finally succumbed to pneumonia, following upon other serious ailments.

He was born in Montreal on August 19, 1880, and served in the Canadian Corps during the war. He was promoted to the rank of Major-General in 1918, and served as Commander of the Canadian Corps in the West. He was also Commander of the Canadian Corps in the East.

He was a member of the Canadian Corps of Officers, and was also a member of the Canadian Corps of Engineers. He was also a member of the Canadian Corps of Artillery.

He was a member of the Canadian Corps of Cavalry, and was also a member of the Canadian Corps of Infantry. He was also a member of the Canadian Corps of Machine Gunners.

He was a member of the Canadian Corps of Engineers, and was also a member of the Canadian Corps of Artillery. He was also a member of the Canadian Corps of Cavalry.

He was a member of the Canadian Corps of Infantry, and was also a member of the Canadian Corps of Machine Gunners. He was also a member of the Canadian Corps of Engineers.

He was a member of the Canadian Corps of Machine Gunners, and was also a member of the Canadian Corps of Engineers. He was also a member of the Canadian Corps of Artillery.

MARKET CONTROL CAMPAIGN IS PROGRESSING

Ninety-Eight Per Cent Of Those Canvassed Favour Controlled Marketing Next Year

The central committee recently chosen by the Growers' Stabilization Committee to consider marketing plans for 1934 reports that returns coming in as yet are very encouraging. The districts heard from to date indicate that ninety-eight per cent are in favour of grower control of the industry.

In the opinion of those who are in constant touch with the growers' movement and are therefore in a position to judge the feeling of the growers, there is not the slightest doubt that the growers have at last made up their minds to take control of their own product.

Plans now being submitted to the central office in Kelowna by the local plans committees throughout the valley indicate that the growers are taking a great interest in their own business.

A meeting of the Kelowna Local of the B. C. Fruit Growers' Association was held on Monday next, at 3 p.m., in the I.O.O.F. Hall. The business of the meeting will be to nominate five growers for the 1934 Board of Directors of the B.C.F.G.A., in accordance with the procedure laid down in the amended constitution passed at last week's extraordinary general meeting. Other locals will hold similar meetings and make nominations in writing to the Secretary six weeks prior to the annual general meeting. After the Secretary makes up ballot papers containing the names of the nominees and distributes them to the locals, each local will call a general meeting and hold an election, the results of which the Secretary will be informed. From the returns received, he will announce the result of the elections at the annual convention.

A meeting of the executive of the B.C.F.G.A. will be held in the Stabilization Committee office on Wednesday next, when several matters relative to the work of the Association will be taken up. It is expected that President W. E. Haskins, who is at present in Toronto attending the conference of Canadian producers of agricultural products, will be present at this meeting to make a report on the eastern conference.

WORK OF VOLUNTEER RELIEF ASSOCIATION

Reports Show Many Forms Of Aid Extended To Needy During Past Year

(Contributed)

The annual general meeting of the Kelowna Volunteer Relief Association was held in the ante room of the Masonic Hall on Thursday, November 16th, at 8 p.m., at which there was a good attendance.

The President, Mr. H. A. Willis, in giving his address, reported that 175 substantial hampers had been delivered to the needy in Kelowna and district the day before last Christmas. Response from the public in the way of produce and voluntary help had been wonderful, and the Association had been very active during the entire year due to the lack of employment. To raise funds, the ladies' committee organized a tag day during September, which augmented the treasury to the extent of \$183.00. In closing, Mr. Willis expressed his thanks to the members of the Association and to all those outside the Association who had given such fine help during the year.

Mrs. Arbuckle, as convener of the Clothing and Women's Committee, then read her report, which is briefly as follows: The work during the year had been continuous and not confined to clothing. Dwellings, cold stoves, beds and mattresses had been found, the sick visited and special diets supplied where possible. The heaviest work was from October to March, when a large amount of clothing was distributed. The clothing depot was opened the first week in December for one day a week, and continued until early April. All the clothing was fumigated once a week by Dr. Ootmar. The average number of applicants per week during that time was seventy, including children, and at least 350 garments, besides shoes and stockings, were distributed weekly. The response to our appeals for clothing had been most generous, but in spite of this it was found necessary to purchase from the relief funds, shoes, stockings, socks, materials to make into underwear and boys' shirts, and some blankets and flannelette sheets. The valuable assistance given by various Clubs and women's organizations was appreciated.

(Continued on page 8)

FUNDS NEEDED FOR RELIEF WORK

Contributions Of Cast-Off Clothing Also Will Be Welcome

Once again the Kelowna Volunteer Relief Association is appealing to the public for subscriptions to the Relief Fund.

This year, more than ever, there is need for assistance.

The provincial and civic authorities are not in a position to give relief to any extent at present.

In past years, considerable cast-off clothing has been donated, but each year it becomes more difficult to obtain these supplies. Due to the depression, the people in general have not the surplus of used clothing they formerly had.

So money is urgently needed for the Relief Fund. Give as much as you can afford, even if it is only a little. Give a thought to the needy. You will never regret it.

The Relief Association wishes to acknowledge with thanks receipt of the following donations: Mrs. V. Martin, \$1; Mr. J. F. Paul, \$5; and proceeds from the dance held by the B. C. Fruit Shippers (Kelowna) Ltd., and Okanagan Packers Ltd., \$32.33.

Contributions of clothing will be received at the old wooden school tomorrow (Friday), from 2 to 4 p.m.

MAIL CHRISTMAS PARCELS IN TIME

Gifts For Old Country Should Leave This Week

As Christmas Day falls on Monday this year and, as a consequence, there will be no delivery of mail from Canadian post offices on Sunday and Monday, the public is requested to post parcels early to ensure delivery before Christmas.

Christmas gifts for the Old Country should be mailed not later than the end of this week to connect with the boat sailing from St. John, N.B., on December 8th, or the boat leaving Halifax on December 9th.

Christmas parcels for points in the United States will suffer the minimum delay in transit if the following U.S. Customs requirements are complied with: in parcels of merchandise weighing up to eight ounces paid at the one cent per ounce rate, in all packets paid at the letter rate and all packets paid at the printed matter rate, enclose an invoice; to parcel post packages weighing over eight ounces and up to fifteen pounds, affix a Customs declaration. Attention to these details will facilitate clearance through the Customs.

To ensure delivery before Christmas, parcels for the United States should be mailed not later than the first week in December.

ANGLICAN BAZAAR ON FRIDAY AND SATURDAY

Stalls Will Offer Wide Variety Of Articles

As on former occasions, the 1933 Anglican Christmas Bazaar will be held at the Scout Hall, Friday evening and Saturday afternoon and evening. The stalls and side-shows will be decorated in accordance with the general colour scheme of autumnal tints and Christmas trees.

The many stalls include: novelty, fancy work, household and handkerchiefs, men's goods, home cooking, candies and small toys, and a Maisson des Demoiselles. At these will be found many dainty and useful gifts.

Evening refreshments will be provided by the Women's Auxiliary, and the afternoon tea on Saturday by the Okanagan Mission Guild.

A special engagement has been secured of Mata-Ma-Ha, the celebrated psychic reader. Every one should obtain an interview.

Among the many interesting and amusing side-shows will be found the ever popular House-house, shooting gallery and other intriguing games of skill.

The prizes for guessing competitors, etc., are on view in various stores in town, and comprise a ladies' lovely wrist watch, a sturdy child's wagon, a furnished doll's house, and a handsome leather tea cosy. Be on time to obtain your share.

MINISTER OF NATIONAL REVENUE MAY RETIRE

OTTAWA, Nov. 30.—Following a conference between Premier Bennett and Hon. E. B. Ryckman, Minister of National Revenue, upon the return of the latter from England today, it is reported that the Minister is to retire on account of poor health.

ST. PAUL'S HAS VERY SMALL MARGIN OF SAFETY

LONDON, Nov. 30.—Sir Alexander Gibb and Ralph Freeman, the engineers investigating the stability of St. Paul's Cathedral dome, which is already supported by steel chains, have announced that the margin of safety is so small as to compel careful attention to any circumstance which might reduce it still further. They urge that the government appoint a commission to supervise all future underground work in the vicinity of the Cathedral.

REPRESENTATION OF GROWERS ON PRICE-FIXING

Stabilization Board Willing To Reconsider Question Of Number Of Committee Members

At a meeting of the Okanagan Stabilization Board, held in Vernon on Monday afternoon, Mr. G. A. Barrat, growers' representative on the Price-Fixing Committee, stated that there was a strong feeling of resentment being expressed by growers in the southern part of the valley because of the action of the Board in reducing the number of grower members on the committee.

The chairman, Mr. E. J. Chambers, explained that the action was not taken by the Board but by the growers themselves after full consideration by the growers' committee. The board, however, had stated that it was willing at any time to reconsider the matter.

Mr. D. Godfrey Isaacs said that he had reported to that effect to the growers' committee.

Mr. Barrat expressed himself as satisfied that any further recommendation should come from the growers.

The meeting was called to discuss the assumption by the pool of charges for shrinkage, repacking and storage on valley holdings. The Pool Committee set December 1st as the date after which these charges on McIntosh apples will be assumed by the pools, subject to provisions set out in the circular drafted.

It was also decided by resolution that regulations approximating those approved for McIntosh apples be also promulgated in respect to winter apples, and that it be left to the Committee to set the date when charges on winter apples be assumed by the pools.

The question of replacement privileges on stocks removed from cold storage was brought up by Mr. Max de Puyffer, of Kelowna. It was generally conceded that, where withdrawals were made for emergency of for weakness developing in the fruit, the replacement privilege would apply, but it was not intended to apply generally for the removal of small quantities of apples for shippers' convenience.

Mr. dePuyffer also brought up the question of the continued use of the jumbo crate—he felt that it should be continued until McIntosh were cleared out, but that it should be eliminated for use with winter apples, an opportunity given to clean up stocks of apple boxes. He advocated a lower price on soiled apple boxes.

The matter was referred to the Committee for consideration.

It was reported that there was a considerable showing of calyx rot in Rome Beauty, and therefore, it was essential that all stocks being placed in cold storage should be carefully inspected for this defect.

A report on the standing of leivres was requested, and Manager McGuire gave full particulars as to the standing to date.

WOMEN'S INSTITUTE MONTHLY MEETING

Use Of Ambulance Discontinued Owing To Cost Of Maintenance

(Contributed)

The regular monthly meeting of the Kelowna Women's Institute was held in the Institute Hall, on Tuesday, November 28th, with the President, Miss M. L. Reekie in the chair.

At the meeting, expressed by Miss Reekie that owing to several other events on the evening of November 17th, Mr. L. F. Champion's lecture on B. C. Products was so poorly attended. Many articles donated by B.C. firms were sold to augment the ambulance fund.

A discussion on the ambulance problems in which everyone was interested was finally ended by deciding that the use of the ambulance be discontinued for the present, as the expenses incurred by storage, gas, etc., far exceed the receipts received for the use of the ambulance. Very many thanks were due Mr. Chas. Gowen for the amount of work he had done in connection with the ambulance, free of charge.

Members and friends are requested to advise Mr. H. B. Everard if they have any magazines, books, or other entertaining matter suitable for the use of men in unemployment camps.

The Hall Committee gave a very satisfactory report on the rents and use of the Hall.

The Clinic Committee reported a good attendance at the Well-Baby Clinic held on Friday last, twenty-four babies being present. The capable supervision of Dr. Reba Willis and Dr. B. deF. Boyce help to make these Clinics the success they are. There will not be a Clinic in December.

The next meeting of the Institute will be called in January. December being such a busy month for all.

At the conclusion of the business session, tea was served by Mrs. J. Vowles and Mrs. T. Marr.

U. S. DOLLAR GAINS A LITTLE IN LONDON

LONDON, Nov. 30.—The United States dollar appreciated 2 1/2 cents to the pound today, closing at \$5.17 1/2 on the foreign exchange market. On account of the date being Thanksgiving Day in the United States and a public holiday, the dollar kept within a narrow range. Dealings in gold currencies were comparatively inactive.

TEN TIPS FOR SUCCESS

A successful Eastern retailer who spends the greater part of his advertising appropriation in newspaper space has made public the following ten points which have helped him to become a prosperous business man through advertising:

- 1.—I advertise regularly. Every issue of the paper takes my story to its readers.
- 2.—I make every advt. look like mine. Years ago I adopted a distinctive style and have stuck to it. I use plenty of white space; my advts. are never hard to read.
- 3.—I put into newspaper advertising a definite proportion of my gross sales. I fix it at the beginning of the year. My rule is to make it three per cent of the previous year's gross, with more if special conditions justify it.
- 4.—I brighten my advts. with frequent illustrations, either humorous or practical.
- 5.—I am careful never to over-promise. When I make claims I back them up with reasons. Then when I really have an unusual bargain, people believe me when I "whoop'er up a little."
- 6.—I think advertising all the time. I buy goods that will advertise well.
- 7.—I get good display for my advts. by seeing that the copy is in the newspaper office in plenty of time. I do this by having a definite hour to write the copy.
- 8.—Whenever possible, I carry goods of national repute, especially those that are advertised in my home paper. I feature them. Sometimes they give me a smaller margin than the wares of smaller concerns, but I find that I sell faster and make more money in the end, besides pleasing more customers.
- 9.—I always plan my window and counter displays to link up with my newspaper advertising. Each helps the other.
- 10.—My salespeople back up my advertising. They often help with suggestions for it, and I see to it that they always read it.

A HINT TO THE SHOPPER

If your merchant does not advertise in The Courier, ask him why he does not do so in his own interests and at the same time help to maintain a real news medium worthy of his town.

THE KELOWNA COURIER
SERVING THE COMMUNITY SINCE 1904

BOY SCOUT COLUMN

1st Kelowna Troop

Troop First! Self Last!

Edited by S.M.

Orders for the week ending Thursday, December 7th, 1933:

Duties: Orderly Patrol for the week, Wolves; next for duty, Eagles. Rallies: The Troop will rally at the Scout Hall on Tuesday, December 5th, at 7:15 p.m. The regular parade and basketball practice for the current week had to be cancelled on account of the basketball game on Tuesday night and the Anglican Church Bazaar on Friday night. So on Saturday we are intending to hold a paper chase or some other game to take the place of these parades. This will take place from the Scout Hall at 2 o'clock.

The heralds of the approaching Christmas season are appearing in many of the store windows and serve to remind us that our share in the Christmas Toy Shop should be under way. Already the toys have started to arrive and each Scout should make an effort to collect as many toys on his own as possible, besides the calls he has to make for them.

The Patrol Leaders conference at Rutland was quite a success, having a record attendance of thirty-two leaders. This beats the record of the Kelowna conference held here about four years ago, which was thirty-one leaders.

Recruits are still coming in and last week three more appeared. They are Alfred Owen, Colonel Elmore and Dexter Pettigrew. The Troop is now approaching its standard of thirty-five and it will soon be necessary to start the waiting list. Tenderfoots are not coming up fast enough though, as there hasn't been one recruit who has finished his tests this season, and one or two of them have been in longer than the allotted month. So, hurry up, you chaps, and let's get those Tenderfoot tests over with before Christmas.

The standing in the Patrol Competition is as follows: Eagles, 636; Beavers, 587; Otters, 478; Wolves, 419.

Scout Notes Of Interest

On the opening day of the recent world Scout gathering in Hungary, the flags of many nations were blessed by Catholic, Protestant, Jewish and Mohammedan church dignitaries.

"You are here for only a few days. I hope you all have notebooks and will list the names of all your new friends. Make a friend every day from a different country." So requested Lord Baden-Powell of the 25,000 or more Scouts at the recent International Scout Jamboree in Hungary.

Disguises are an occasional feature of Scout camp fun. Baden-Powell played the game on the way by steam-er down the Rhine to the recent world gathering of Scouts in Hungary. Dressed as "an elderly tourist," he mixed with a party of U.S. Scouts un-noticed, and had his laugh at Budapest when he was loudly acclaimed by waiting Hungarians.

Scottish Scouts are finding an interesting activity in co-operation with the Glasgow Archaeological Society. The 51st Renfrewshire Troop is clearing the floor surface of a large cave near the ancient church of St. Columba, and a Dumbarton Troop is studying the mysterious "pygmy" dwellings at the head of Glen Fruin, near Helensburgh.

The entertaining when ashore of Deep Sea Scouts (former Scouts who have gone to sea) has become a summer social activity of Canadian Rover Scouts at various Canadian ports. During the visit of H.M.S. Norfolk to Saint John this summer Deep Sea Scouts from her crew visited the camp of the Cathedral Scouts and provided some "star turns" at the campfire.

GLENMORE

On Friday the C.C.F. juniors put on a very enjoyable social, consisting of a short concert and bridge party, followed by refreshments. The boys sang several choruses, duets and solos in character. Mr. and Mrs. Short provided some instrumental duets. Miss Gertie Watson and Bob Morgan each delighted the audience with a strenuous solo Scottish dance. There were eight tables of bridge, the prizes being won by Mrs. Morgan and Mr. Watson respectively.

A number of the young people of the valley met at the home of Mrs. C. Henderson last Sunday afternoon in a successful endeavour to organize a Y.P.S. in the valley. Arrangements were made for a further meeting at Mrs. G. Hume's next Sunday evening, at 7:30 p.m., at which officers for the year will be chosen. Mr. I. Kerr has

KILLED BY KIDNAPPERS

Brooke Hart, 22-year-old son of a wealthy San Jose, Cal., merchant, was brutally murdered by kidnapers, who threw his body into San Francisco Bay and then demanded \$40,000 from the youth's father for his return "alive." Two men, Thomas Thurmond and Jack Holmes, who confessed to the crime, were seized by a mob of about a hundred men, who forced their way into the jail at San Jose on Sunday, Nov. 26th, and, after beating the murderers severely, hanged them.

VOICE OF FIRESTONE RETURNS TO THE AIR

New Series Of Concerts Begins Next Monday Over NBC Network

On Monday evening, December 4th, another series of outstanding radio concerts will be inaugurated by the Firestone Tire & Rubber Company.

The many radio listeners who appreciate the best in music and who enjoyed the Firestone concerts in the past will be pleased to know that Lawrence Tibbett, leading baritone of the Metropolitan Opera Company, and Richard Crooks, noted tenor, have been re-engaged and will be heard alternately every Monday evening throughout the winter months. As in the past, their repertoires will include "A Song for Everybody." They will be accompanied by the Firestone Symphonic Orchestra under the baton of William Merrigan Daly, brilliant young conductor and protégé of Walter Damrosch.

In response to numerous requests, Harvey S. Firestone, Jr., will resume a series of short dramatic and educational talks which created such favourable comment two years ago.

"The Voice of Firestone" will be broadcast over a coast-to-coast NBC Network, CFCF, Montreal and CRCT, Toronto, at 8:30 p.m., Eastern Standard Time and again at 8:30 p.m., Pacific Coast Time for the Western Provinces.

PARKED WITHOUT LIGHTS

Officer: Sorry, gotta give you a ticket for improper parking.
Youth: What do you mean? Why I didn't even have my arm around the girl.

consented to act as instructor. All young people of either sex between the ages of 14 and 25 will be cordially welcomed.

At the Women's Guild meeting, held at Mrs. A. Loudon's on Tuesday afternoon, final arrangements were made for the home cooking sale to be held in Fumerton's store on Saturday, Dec. 9th.

NEW MAYOR OF NEW YORK

Fiorello H. LaGuardia, Fusion candidate, was elected mayor of New York, Nov. 7, by a 250,000 plurality vote, defeating Joseph V. McKee, "Recovery party," and Mayor John P. O'Brien, Tammany candidate. In an election crowded with fist-fights and other disturbances, the new mayor personally threw a Tammany worker out of a voting place and cruised the city with his wife, his former secretary, to fight against illegal voting.

DROWNING RESCUES BY BOY SCOUTS

Training In Artificial Respiration Proves Of Great Value

While it may not be possible to say that a particular rescue from drowning by a Boy Scout was definitely due to his Scout training, when eighteen such rescues, scattered across the Dominion, are reported by the press in the two midsummer months (the actual number probably was considerably higher), Scouting obviously is entitled to much of the credit, taking into account the number of rescues plus the fact that Scouts not only are instructed in water rescue, but are taught, with respect to emergencies in general, that "others may stand and shout for help, but a Scout is expected to act."

Only such training would account for the rescue by Calgary Scouts, at different times and places, of no less than six children.

In several scattered instances the victims were brought out unconscious and revived by artificial respiration. Scout Jack Evans of Carman, Man., revived a girl said to have been submerged in a root-tangled hole for 15 minutes, notwithstanding that bystanders declared his efforts would be useless.

Several of the rescue problems were unusual. A Strathroy, Ont., Scout, William Jarvis, was called upon to save a boy swimmer suddenly seized by another lad taken with a fit. At Picton, Ont., Scout Donald Wannanaker ran to the rescue of a 2-year-old baby boy who had waded into a diving hole, and the little lad's 70-year-old grandmother, who had plunged after him and was unable either to save the baby or herself. The Scout came out with the little boy under one arm and the grandmother on the other.

When a boat capsized in a swift raceway at Hull, Que., and two girls were held by the current, one submerged, against a wire netting, it was Scouts made the difficult rescue and revived the second girl by artificial respiration. The rescue was the fourth credited to one of the lads, Patrol Leader Harry Barnes. A diving rescue in seven feet of water was the second by Scout Brimacombe of Vermilion, Alberta.

In other words, a dozen or more Canadian families were this summer saved heart-break and wrecked hopes, and a dozen or more valuable lives were saved, thanks directly to Boy Scout training.

OKANAGAN CENTRE

The tea and sale held on Thursday afternoon of last week, at the Community Hall, by the Women's Institute, was a quite successful affair. Many visitors were present and practically all of the varied articles were well sold.

The wool afghan planned by Mrs. Caesar and crocheted by members of the society was raffled, Mrs. Gibson being the holder of the lucky number. The weight of the large fruit cake made by Mrs. Lodge was correctly guessed by both Mrs. Brixton and Mrs. Tocher. Mrs. Bond and Mrs. Topham were hostesses during a delightful tea hour.

A short business session was convened promptly at 3:00 o'clock, when Mrs. Hare and Mrs. Carter were named buyers for the Christmas party which is annually sponsored by the Institute. The grading of the school play-ground for the making of an outdoor skating rink, at the expense of the W. I., was discussed and a resolution was passed to effect this if the School Board would not finance the undertaking.

The C.C.F. Study Club met at "Shoreacres" on Wednesday night last. A feature of the meeting was a reading by Mrs. Macfarlane from "Money," which was followed by a lively discussion. An effort will be made to secure a speaker for the next meeting, which will be held on Monday, December 11th, at the home of Mr. and Mrs. Parker.

Mr. and Mrs. W. R. Thompson returned on Monday evening from a fortnight's honeymoon at the Coast, following their marriage in Kelowna at the Registrar's office on November 10th.

A. T. Kobayashi and his sister, Miss Aiko, left on Tuesday of last week by motor with friends for Vancouver, where they intend spending the winter. The former will enter the employ of the Furuya Importing Co.

The regular service at the United Church on Sunday afternoon was taken by an Oxford Group from Kelowna led by Mr. A. A. Chapman, Principal of the High School. A large congregation was in attendance, most of whom evinced much interest in the movement.

Dennis Plunkett left the end of the week for the Coast, where he expects to spend the winter with Mr. and Mrs. S. Holton in their new home at Chem-

1ST RUTLAND TROOP

"Do A Good Turn Daily"

Orders for the week ending Dec. 2nd: The Troop will parade in the Community Hall on Friday, at 7:45 p.m., in full uniform.

Duty Patrol: Foxes.

The sixth annual Patrol Leaders' conference proved a big success. An account will be found in another column. The Troop wish to thank the many kind friends who assisted with billets and meals for visiting patrol leaders, the members of the Association who assisted with the banquet at night, and the management of the Empress Theatre, Kelowna, who gave all the P.L.s. free passes to the show on Saturday afternoon.

The convention was the best attended one to date, 32 P.L.s. being on hand. Next year the convention is to be in Vernon.

A great deal of the credit for this year's convention should go to Troop Leader Peter Ritchie, who acted as organizer and as chairman.

—A.W.G.

PULITZER PRIZEMAN HAD TO FLEE GERMANY

Edgar Ansel Mowrer, driven from Nazi-ruled Germany under thinly-veiled threats of the government, is on a lecture tour of America. His exile was due primarily to his book, "Germany Fights the Clock Back," which won him the 1932 Pulitzer prize but dealt so vividly with the details of German governmental developments that he was forced to flee the country.

MARLENE DIETRICH IN "THE SONG OF SONGS"

Star Seen In New Role As Innocent Young Country Girl

A new Marlene Dietrich, different from what her millions of screen admirers have ever glimpsed in her previous pictures, will be seen in "The Song of Songs," her new picture coming to the Empress Theatre on Friday and Saturday. Miss Dietrich, who hitherto has appeared as a sophisticated, worldly woman, is revealed in her new production as an innocent young country girl of rare beauty who goes to Berlin and, jilted by a handsome young sculptor, runs the gamut of tragic experiences. She marries a rich and elderly Baron, whom she does not love, and, following their divorce, she becomes bitter and disillusioned—a notorious woman in the gay city's night life.

"The Song of Songs," adapted from the literary classic of Hermann Sudermann, is the first Dietrich picture which has not been directed by her discoverer, Josef von Sternberg. Brian Aherne, from the New York stage, makes his screen debut as Miss Dietrich's leading man.

"Paddy, The Next Best Thing"

Janet Gaynor and Warner Baxter will be seen in "Paddy, The Next Best Thing," on Monday, Tuesday and Wednesday. Miss Gaynor has what is reported as her strongest role to date. In addition, to her well known wistfulness, she is required to display her newly-found spirit. She is a rogue—she is irresistibly charming. As the man who brings her down to earth and convinces her of his love, Warner Baxter is said to be in his most popular element. The picture has a good supporting cast.

"I'm No Angel"

Mae West's standing invitation to "come up and see me sometime" will be accepted by a lot of Kelownians on Thursday, Friday and Saturday of next week, when she of the curves will be on view in her newest production, "I'm No Angel." More about this picture next week.

ains.

An increased attendance at the Centre school has necessitated the buying of a lot of new desks. The largest enrollment in many years is reported.

SAIL CUNARD ANCHOR-DONALDSON

LETTERS TO THE EDITOR

GROWERS! SELL YOUR FRUIT YOURSELVES

Okanagan Mission, B.C.,
Nov. 24, 1933.

To the Editor,
Kelowna Courier,
Dear Sir,

Your editorial under date Nov. 23rd again points out, as on former occasions, that the fruit industry in the distributive end must rid itself of the jobber. I, like many others (perhaps I am mistaken), thought that after Mr. Borrett returned from the prairies he was for ridding the industry from the parasitical jobber. Having existed on the prairie for many years, and knowing somewhat of fruit there, I fail to see why it is necessary to be shackled to the jobber or any other grafter.

What is uppermost in the fruit grower's mind is how to get better prices. The selling cost cannot be altered much, meaning the actual cost to the consumer. As I see it, there are only two ways to save. First, our packing costs must come down. Second, we must eliminate brokers and jobbers, selling as directly as possible to the consumer.

Judging from some of the comments one sees in print and what we hear, it looks as though the big gang is still at work fooling the grower some more.

Growers' control does not mean high salaries or dictatorship by shippers or jobbers or any one else. It means that you control your orchards, your packing houses and your selling agencies, which must be you. Set up committees or councils to handle the packing end. Set up a committee or council to sell the fruit. You, the growers, must do this. Pay yourselves to do what you are now paying some one else to do for you. You are at the stage of the game when you must act to save yourselves.

I would suggest to Mr. Borrett that he cut out the jobber; perhaps his plan then would be worth a trial.

Growers! do not be misled by present shippers and packers. You can pack your own fruit at about half the cost you are now paying, if necessary. The selling end can and must be cut down fifty per cent. Selling as directly as possible through your own selling agency will take care of this. I fully recognize that every one connected with the selling end, as now constituted, will howl. Growers! the fruit belongs to you; pack and sell it yourselves. This is the best legislation on your statute books. Do it yourselves; then, if you go wrong, you blame yourselves.

I propose, Mr. Editor, that you still hammer away through your editorials that the only thing worth while is for the grower to handle his business through grower committees to a central committee, but the dictatorship must be the grower himself.

Thanking you, Mr. Editor, for space, also for your untiring efforts on behalf of the grower.

Yours sincerely,
JOSEPH IVENS.

GROWERS MUST CHOOSE EITHER OF TWO POLICIES

Kelowna, B.C.,
28th November, 1933.

Editor,
Kelowna Courier.

The letter of the President of the Associated Growers, published in the Kelowna Courier of the 23rd November in reply to my letter published in the Courier of the 16th November, makes the situation quite clear.

In no uncertain manner Mr. Chambers commits the Associated to a policy of consignment, that is, to the grower parting with his fruit without receiving a guarantee or a price. The Associated is opposed to the growers' policy of a cent a pound guarantee to be followed by a definite price.

If Mr. Chambers is right, it is foolish and unnecessary to set up fresh machinery. The obvious course is for the growers to join up with the Associated and get one hundred per cent behind it. It is well organized, has its own equipment and channels of trade and has years of experience of carrying on business on the lines recommended by Mr. Chambers. Dean Clement has given it a clean bill of health. It would be childish to be led into the Associated by the back door while the front door is open. Mr. Borrett's marketing plan, recently published, also favours the consignment policy and is in line with the ideas expressed by Mr. Chambers. If approved, it could readily be erected upon the foundation of the Associated.

If Mr. Chambers' policy is adopted by the growers, the cent a pound guarantee and price policy must be abandoned. One policy or the other must be adopted; they are mutually antagonistic and cannot be worked together. The issue before the growers is thus made clear and they must make up their minds without delay, either—

BETHEL BAPTIST YOUNG PEOPLE

(Contributed)

At our meeting this coming Friday, to be held at the home of Mrs. Geo. Brown at the usual hour of 8 o'clock, we are to be privileged in having a message brought to us by one of our church members, Mr. L. F. Walrod. He will speak to us on the subject "Seven Tabernacles."

Our meeting last Friday commenced as usual with a song service, followed by the roll call, Bible contest, Scripture reading and musical selection. We then studied the subject of personal evangelism, the message being based on our Saviour's talk with the woman of Samaria as recorded in John 4.

WINFIELD

The Winfield Ladies' Aid held their monthly meeting at the home of the President, Mrs. John Edmunds. A report was given of the money raised from the church supper. The December meeting will be held at the home of Mrs. Geo. F. Elliot.

The Anglican Church Guild held their annual fall jumble sale and sale of home cooking and sewing on Nov. 17th. The affair was a great success and the sum of eighty-two dollars was realized.

Members of the Oxford Group team visited the Winfield United Church on Sunday last and gave a very interesting talk on the movement and "witness" as to the benefits they themselves received through associating with the Oxford Group meetings. This was much enjoyed by the congregation.

Mr. and Mrs. S. Holton left on Saturday for Vancouver Island, where they will make their future home.

Mr. and Mrs. John Laing returned from the Coast on Saturday.

Mr. Fred Duggan made a business trip to the Coast on Monday.

Mrs. J. W. Arnold was a passenger on Monday to Penticton, where she will spend the week visiting her son and daughter-in-law, Mr. and Mrs. Arthur Arnold.

- (a) To join the Associated 100 per cent and get behind Mr. Chambers' policy of consignment, or
- (b) To get 100 per cent behind the cent a pound guarantee to be followed by a cash deal and to wind up or re-organize the Associated.

One thing the growers cannot afford to do is to sit on the fence any longer. The decision between the two policies must be made now. It should have been made before any committees were appointed. It is useless to discuss marketing schemes until it is known which of the above policies will be adopted.

In regard to legislation. Whichever policy is adopted, no legislation will be required to hold the growers together if it produces results. If it does not produce results, no legislation can be devised which will hold the growers to an unprofitable deal.

Yours truly,

H. V. CRAIG.

ABOLISH UNSATISFACTORY CONSIGNMENT SYSTEM

Kelowna, Nov. 27th, 1933.

The Editor,
Kelowna Courier.

Dear Sir:

It has been suggested by some of your correspondents that apple growers should receive a price for the apples they deliver to their shippers.

If the growers' slogan is the recent movement "A cent a pound or on the ground" is to be upheld, then nothing but a price for their apples will satisfy them.

If the growers are not receiving a price for their apples, it is due to the continuous consignment of the growers' fruit from its source to the shippers.

The opportunity presents itself today for the growers, once and for all, to abolish this unsatisfactory consignment system, to control their surplus right at its source, and to sell their fruit without destroying any of the existing selling forces with connections already established for the world-wide sale of their apples.

This Company would welcome a situation where all shipping organizations are placed on an equal basis, able to purchase the apples at a price. The advantages of this method to our growers and to everyone dependent on our industry must be apparent.

Yours truly,

Occidental Fruit Co., Ltd.,
LEOPOLD HAYES,
Manager.

FROSTINGS BAKED RIGHT ON THE CAKE

Some Interesting Recipes By Miss Helen E. Kimball

Among the most interesting recipes which have been evolved recently are frostings which are baked right on the cake! They're very easy to make and the crunchiness of the finished cake will thrill you.

The basic ingredient in these frostings is sweetened condensed milk, which is pure whole milk and cane sugar cooked down to a richness that is almost of a frosting consistency as it comes from the can. It needs only one or two other simple ingredients for a perfect frosting.

The cake should be baked first as usual and cooled. The frosting is then spread on it. Place the cake on a cookie sheet, or, if you haven't frosted the sides, use the pan in which the cake was baked and brown delicately in a hot oven (450 degrees F.). The cake will not dry out as might be supposed, because it is spread with moist frosting on all sides. Be sure and watch the cake carefully while it is in the stove, for sugar mixtures, as you know, burn rather easily.

Cocoa Nut Broiled Icing

½ cup sweetened condensed milk
2 tablespoons butter, melted.
4 tablespoons brown sugar
1 cup shredded cocoanut.

Combine all ingredients and blend thoroughly. Spread on cake. Place very low in broiler under a low flame. Broil until the icing bubbles all over and the surface becomes light brown. Remove from broiler. Cool.

Marshmallow Caramel Frosting

1 can sweetened condensed milk (caramelized)
12 marshmallows
½ cup shredded cocoanut.

Beat caramelized sweetened condensed milk (see note below for caramelizing) until smooth and creamy. Combine with finely cut marshmallows. Spread on top of cake. Sprinkle with shredded cocoanut. Bake five minutes or until cocoanut is golden brown in a hot oven (400 degrees F.).

To caramelize sweetened condensed milk: Place one or more cans of sweetened condensed milk in a kettle of boiling water and kept at boiling point for three hours, being careful to keep can well covered with water. Chill thoroughly.

Baked Fudge Frosting

2 squares unsweetened chocolate
1 1-3 cups (1 can) sweetened condensed milk
1 tablespoon water
1 cup shredded cocoanut.

Melt chocolate in double boiler. Add sweetened condensed milk, stir over boiling water five minutes until it thickens. Add water. Fold in half the cocoanut. Spread on cake. Sprinkle top with remaining cocoanut. Place in a hot oven (450 degrees F.) 10 minutes or until cocoanut browns.

Toasted Peanut Frosting

1 1-3 cups (1 can) sweetened condensed milk, 2 tablespoons peanut butter, ¼ cup chopped peanuts, peanut halves. Place sweetened condensed milk and peanut butter in top of double boiler. Cook over boiling water for five minutes, or until mixture thickens, stirring until well blended. Add chopped peanuts. Spread on cake. Decorate top with peanut halves. Bake in a hot oven (450 degrees F.) 10 minutes.

Lemon Crumb Topping

1 1-3 cups (1 can) sweetened condensed milk

¼ cup lemon juice
1 cup zwieback crumbs.

Stir sweetened condensed milk and lemon juice together until mixture thickens. Add ½ cup zwieback crumbs. Spread on top of cake. Sprinkle with remaining zwieback crumbs. Bake in a hot oven (450 degrees F.) 10 minutes.

Crunchy Caramel Frosting

1 can sweetened condensed milk (caramelized)
½ teaspoon lemon extract
2 cups rice flakes

Beat caramelized sweetened condensed milk (see directions for caramelizing under Marshmallow Caramel Frosting recipe) until smooth and creamy. Add lemon extract and one cup rice flakes. Mix thoroughly. Spread on cake. Sprinkle top and sides generously with remaining rice flakes. Bake in a hot oven (450 degrees F.) 10 minutes.

BENVOULIN

Mr. Harold Maeda left by motor for a two weeks' visit with his sister in Vancouver.

The regular monthly meeting of the Woman's Association will be held at the home of Mrs. D. McEachern, on Tuesday, December 5th.

A pleasant evening was enjoyed by a good crowd on Friday, November 24th, at the home of Mr. and Mrs. A. Reid. The evening was spent in playing games, with a number of well rendered musical selections.

Miss Nellie Shlahetka has returned to Kelowna, where she worked during the summer months.

Fred—It must be awful to be a debt collector. You must be unwelecome wherever you go.
Jerry—On the contrary, practically everybody asks me to call again.

BANK OF MONTREAL

Established 1817

A presentation, in easily understandable form,
of the Bank's

ANNUAL STATEMENT

31st October, 1933

LIABILITIES

LIABILITIES TO THE PUBLIC

Deposits	\$641,346,710.12
Payable on demand and after notice.	
Notes of the Bank in Circulation	33,819,807.50
Payable on demand.	
Bills Payable	258,578.04
Time drafts issued and outstanding.	
Letters of Credit Outstanding	6,151,280.54
Financial responsibilities undertaken on behalf of customers (see off-setting amount [x] in "Resources").	
Other Liabilities	10,642,442.25
Items which do not come under the foregoing headings, including \$9,000,000 advances from the Dominion Government under the Finance Act	
Total Liabilities to the Public	692,218,818.45

LIABILITIES TO THE SHAREHOLDERS

Capital, Surplus and Undivided Profits and Reserves for Dividends	76,317,090.20
This amount represents the shareholders' interest in the Bank, over which liabilities to the public take precedence.	
Total Liabilities	\$768,535,908.65

RESOURCES

To meet the foregoing Liabilities the Bank has

Cash in its Vaults and in the Central Gold Reserves	\$ 78,683,217.88
Notes of and Cheques on Other Banks	26,953,876.82
Payable in cash on presentation.	
Money on Deposit with Other Banks	25,334,859.87
Available on demand or at short notice.	
Government and Other Bonds and Debentures.	316,967,375.69
Not exceeding market value. The greater portion consists of gilt-edge securities which mature at early dates.	
Stocks	514,911.33
Railway and Industrial and other stocks.	
Call Loans outside of Canada	36,354,280.98
Secured by bonds, stocks and other negotiable securities of greater value than the loans and representing moneys quickly available with no disturbing effect on conditions in Canada.	
Call Loans in Canada	7,607,169.32
Payable on demand and secured by bonds and stocks of greater value than the loans.	
Bankers' Acceptances.	111,293.01
Prime drafts accepted by other banks.	
TOTAL OF QUICKLY AVAILABLE RESOURCES (equal to 71.15% of all Liabilities to the Public)	492,526,984.90
Other Loans	251,885,262.61
To manufacturers, farmers, merchants and others, on conditions consistent with sound banking.	
Bank Premises	14,500,000.00
Three properties only are carried in the names of holding companies; the stock and bonds of these companies are entirely owned by the Bank and appear on the books at \$1.00 in each case. All other of the Bank's premises, the value of which largely exceeds \$14,500,000, appear under this heading.	
Real Estate and Mortgages on Real Estate	1,732,750.77
Acquired in the course of the Bank's business and in process of being realized upon.	
x Customers' Liability under Letters of Credit	6,151,280.54
Represents liabilities of customers on account of Letters of Credit issued by the Bank for their account.	
Other Assets not included in the Foregoing	1,739,629.83
Making Total Assets of	768,535,908.65
to meet payments of Liabilities to the Public of	692,218,818.45
leaving an excess of Assets over Liabilities to the Public of	\$ 76,317,090.20

CHRISTIAN SCIENCE SOCIETY
Cor. Bernard Ave. and Bertram St.
This Society is a branch of The Mother Church, The First Church of Christ, Scientist, Boston, Mass. Services: Sunday, 11 a.m.; Sunday School, 9:45 a.m.; first and third Wednesdays, 8 p.m. Reading Room open Wednesday and Saturday afternoons, 3 to 5 p.m.

"GOD THE ONLY CAUSE AND CREATOR" will be the subject of the Lesson-Sermon on Sunday.
Among the citations which comprise the Lesson-Sermon is the following from the Bible: "In the beginning God created the heaven and the earth." (Genesis 1: 1.)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "There is but one creator and one creation. This creation consists of the unfolding of spiritual ideas and their identities, which are embraced in the infinite

Mind and forever reflected. These ideas range from the infinitesimal to infinity, and the highest ideas are the sons and daughters of God." (p. 502.)

PENTECOSTAL MISSION
Sunday Services, Dec. 3rd:
Sunday School, 10 a.m.
Devotional Service, 11 a.m. Evangelistic Service, 7:30 p.m.
British and Foreign Bible Society.

8 p.m. Wednesday, Prayer Meeting.
REV. C. F. STEWART, Pastor.

SALVATION ARMY
Sunday: 7 a.m., Prayer Meeting; 11 a.m., Holiness Meeting; 7:30 p.m., Salvation Meeting.
Wed., 2 p.m., Home League in quarters.
Thurs., 8 p.m., Salvation Meeting.
Young People's Meetings, Sunday, 10:15 a.m. and 2:30 p.m.

GUILD OF HEALTH

Act 3: 10: "Which sat for alms at the Beautiful Gate of the Temple." It is the vision of Christ alone that can stir humanity as it lies helpless at the beautiful gate. Amid all the myriad confusions and perplexities of these days, let us have no shadow of doubt that Christ still can save. To every life which will open itself to Him in all its impotence and weakness, He will give the clasp of His own strong hand, the contagion of His own radiant spirit, the healing of His own great grace. He will speak to it a word of power and courage. He will say to it, "Rise up and walk," and at the magic of His voice it will have strength to obey.

Perhaps where we fail today is because there is so little of Christ in us that when we speak the Name of Jesus it is only a word which falls to the ground like an autumn leaf. We do not carry the impression of Christ Himself—a living presence, a healing power, a redeeming spirit, able to bring back into the world the power of all He was and did in the days of His flesh. (From "The Healer.")

THE "COURIER" FOR JOB PRINTING

Local and Personal

Mr. Paul Tempest returned last week from a visit to the Coast.

Mr. John Simons, of London, England, is registered at the Royal Anne Hotel.

Mr. and Mrs. E. T. Powick left on Saturday by Canadian National for the Old Country.

Mr. J. MacKinnon and Miss W. P. Honsden, of Vancouver, are registered at the Mayfair Hotel.

Miss F. L. Pease, of Okanagan Mission, left on Monday for Vancouver, where she will spend the winter.

Mr. W. M. Gray, of Penticton, is a guest of the Mayfair Hotel while visiting her daughter, Mrs. C. E. Morris.

Mr. and Mrs. Hewlett and family left on Saturday by Canadian National for England. They will sail via Panama.

Mrs. R. H. Ker and son Bobby, of Vancouver, who spent several weeks in the city, guests of the Royal Anne Hotel, returned to the Coast yesterday.

Mr. G. H. Kemp, of Winnipeg, Man., is a guest of the Mayfair Hotel. He is much impressed with the possibilities of this district as a winter resort.

Mr. and Mrs. T. G. S. Chambers left on Monday by Canadian National for Montreal, where they will reside. Mr. Chambers having secured a position with the Ceylon Tea Bureau.

Miss J. L. McLennan, of Victoria, Director of Home Economics for the B. C. Government, was a visitor to the city this week, a guest of the Royal Anne Hotel. She left on Tuesday.

Mrs. H. Mowbray, of Kamloops, travelling representative of the Women's Pensions Board, spent the past week in the city, a guest of the Royal Anne Hotel. She left on Tuesday.

Major E. Chambers, of Victoria, was a visitor to the city this week in connection with the opening of the relief camps under the Department of National Defence. He stayed at the Royal Anne Hotel.

Mr. E. F. Cooke, of Vancouver, the engineer who will superintend the relief camps to be opened by the Department of National Defence, arrived in the city at the week-end. He is registered at the Royal Anne Hotel.

The blankets-raffed by the Kelowna Hospital Women's Auxiliary at their monthly meeting in the Board of Trade Room on Monday afternoon were won by Mr. Walter Porter, of East Kelowna, with ticket No. 33. The drawing was made by Mrs. M. E. Cameron.

Mrs. C. B. McAllister, of Vancouver, a member of the Oxford Group team which visited the Okanagan recently, is registered at the Royal Anne Hotel. Several members of the team remained in the valley to assist in forming local groups. Among them are Mr. A. B. Carey, Mrs. Libbie Miller and Miss Betty Gaddes.

The death occurred at Vancouver on November 20th of Harold Frederick Oxley, 16-year-old son of Mr. and Mrs. Kenneth Oxley, of Vancouver, former residents of Kelowna. Mr. Oxley was engaged in the grocery business here prior to leaving for the Coast, where he and his family have since resided, in 1917.

Mr. C. J. Frederickson, Principal of the Kelowna Public School, will address a meeting of the Kelowna and District Ratepayers' Association in the I.O.O.F. Temple on Tuesday evening next, when he will take for his subject "Canadian and American School Systems." All ratepayers are invited to attend.

The winter schedule for the rural mail route takes effect on Monday next, when district mail will leave the post office at 9.30 a.m. daily, except Sunday, instead of 1.30 p.m. as at present. The change in the schedule is necessitated by the shorter winter days, as, under the present schedule, it is impossible to complete the delivery before dark. The change also affects delivery to the Rutland post office.

Mr. W. G. Smith, of Winnipeg, will address the next dinner meeting of the Canadian Club, to be held in the Royal Anne Hotel on Wednesday evening next, on the subject "Social Legislation and Public Services." Mr. Smith is a graduate of the University of Toronto, where he remained for twenty years as Associate Professor of Psychology and Director of the Laboratory. In 1921 he took up educational and social work at Winnipeg, serving as president of the Canadian Conference of Social Work and director of child welfare for Manitoba. He comes to British Columbia highly recommended as a speaker.

STRENGTH OF BANK OF MONTREAL WELL UPHELD

Liquid Assets Amount To 71.15 Per Cent Of All Liabilities To Public

The Bank of Montreal is again for strong statement. Total assets at \$768,535,908 are practically unchanged from the previous year, but liquid assets, represented mainly by investments in the highest grade securities, are as high as \$492,526,984, equivalent to 71.15 per cent of total liabilities to the public. At this level they show an increase of over \$50,000,000 as compared with a year ago. At the same time, the lessened requirements of the customers of the Bank for accommodation has resulted in a decrease of a corresponding amount in current loans and this situation probably accounts for the unusually large increase in holdings of gilt-edged securities.

Following the practice of giving the fullest information, the Bank's statement appears in easily understandable form, in order that the layman may be able to readily understand the underlying strength of the Bank's position over its ability to be of the greatest possible help in almost any development that might arise.

Exceptional Liquid Position
 The complete statement, which appears elsewhere in this issue, is replete with interesting features that should be carefully studied by every Canadian desirous of being fully acquainted with the reassuring condition of the Bank's assets.

The statement, which covers the fiscal year to 31st of October, shows total assets of \$768,535,908, as compared with \$769,166,272 a year ago. Of this amount the total of quickly available resources amounts to \$492,526,984, equal to 71.15 per cent of all liabilities to the public. They compare with \$439,768,506 a year ago, which was equivalent to 63.46 per cent of public liabilities. Included in liquid assets are total cash holdings of \$78,683,217, equal to 11.36 per cent of liabilities to the public.

As was to be expected, the largest proportion of liquid assets are in government and other bonds and debentures, the total of them being \$316,967,375. The greater portion of these securities mature at early dates. These holdings are up from \$266,729,664 at the end of the previous year.

The call loans in the same way showed an increase to \$7,607,169 from \$5,157,690, while those outside of Canada were \$36,354,280, as compared with \$20,071,135 a year ago.

Current Loans Contract
 As opposed to this situation, the customers of the Bank have not required as much accommodation as under more normal trade conditions. As a result, current loans are down to \$251,885,202, from \$302,931,269 last year.

Deposits have been well maintained, especially when it is recalled that large amounts were used to purchase government loans. The deposits payable on demand and after notice are \$641,346,710, against \$648,832,663 a year ago.

Profit and Loss Account
 The profit and loss account shows earnings for the year substantially lower than in the previous year. On the other hand, the distribution to shareholders was at a lower rate of dividend, with the result that after all deductions, an addition of \$336,594 was made to profit and loss account out of the year's operations.

Total profits were \$4,005,153, equivalent to 5.32 per cent on the combined capital, paid and undivided profits. They are down from \$4,663,100 a year ago, a decline of approximately \$650,000. Out of the profits there was set aside for dividends to shareholders \$3,060,000, as compared with \$3,960,000; provision for taxes, Dominion government, \$508,558, and reserve for bank premises \$100,000. As the balance brought forward at the end of last year was \$1,248,856, the addition of \$336,594 out of this year's earnings brought the total of profit and loss account up to \$1,585,451.

The statement shows that at the end of the year the Bank had total assets of \$768,535,908 with which to meet payment of liabilities to the public of \$692,218,818, which left an excess of assets over public liabilities, representing shareholders' equity, of \$76,317,090. The report will be submitted to the shareholders at the annual meeting, which takes place on the first Monday of December.

ELLISON

The dance at the School last Friday night, put on by the Muirheads and Caldwell, was quite a success. Those who turned out for it greatly enjoyed the good music. The floor, also, is in good shape this year.

The next social evening will be a whist and dance on Friday, December 8th.

Mr. "Chief" Caldwell has rented his farm to Mr. Klein, formerly of Saskatchewan. The Caldwell family have moved to another house on the property, where they intend to remain until spring.

Messrs. George Muirhead and Wallie Stranaghan left on Wednesday for Peachland for a few days hunting.

Mr. Tom Carney is also at Peachland with another hunting party for a few days.

Messrs. Stuart Gibb and Herwyne Gale were Vernon visitors last Sunday.

Mr. E. W. Barton, Secretary of the Board of Trade, addressed the Kelowna Rotary Club at their weekly luncheon in the Royal Anne Hotel on Tuesday in support of radio station CKOV. Okanagan Broadcasters Ltd., operators of the station, are offering more stock for public subscription.

OBITUARY

Mrs. Annie Hume McKinlay

The death occurred on Tuesday, November 21st, of Mrs. Annie H. McKinlay, aged 90 years, who passed away at the home of her daughter, Mrs. J. B. Knowles, Manhattan Beach.

The late Mrs. McKinlay was born at Baddeck, Cape Breton Island, Nova Scotia, of United Empire Loyalist stock and one of a family of twelve. She married the late Capt. Thomas W. McKinlay, of Mt. Denson, N.S., who predeceased her some twelve years ago, and her early married life was spent at sea. Her many friends never tired of listening to her interesting reminiscences of the early days of the Nova Scotia sailing ships which visited all parts of the globe. She retained all her faculties to the last, and it was most fitting that her reclining years should be spent close to the shores of Okanagan Lake, within sound of the waves that were so dear to her heart.

She is survived by one son, Capt. Wm. McKinlay, of Mt. Denson, N.S.; one daughter, Mrs. Knowles, in Kelowna; and one brother, Mr. Joseph Hume, of Brownsville, Oregon.

The funeral service was held on Wednesday, November 22nd, from First United Church to the Kelowna Cemetery, Rev. W. W. McPherson, assisted at the graveside by Mr. G. Thorner, of Bethel Baptist Church, conducting. Her two favourite hymns, "Rock of Ages" and "Lead Kindly Light" were sung during the service. Floral tributes were numerous and beautiful.

The pall bearers were: Messrs. J. N. Cushing, W. C. Duggan, W. Lloyd-Jones, W. R. Reed, D. Sexsmith and Capt. A. McCulloch.

MARRIAGE

Sexsmith—Dancoine

A quiet wedding took place at the United Church Manse on Glenn Avenue, Wednesday evening, November 29th, when Miss Alice Dancoine was united in marriage to Mr. Walter Sexsmith, both of Kelowna. The ceremony was performed by the Rev. W. W. McPherson.

ROTARIANS HEAR OF OXFORD GROUP WORK

Testimony Given As To Wonderful Effects For Human Betterment

(Contributed)

Mr. A. B. Carey, advance leader of the Oxford Group Movement, was a visiting Rotarian at the Rotary luncheon held in the Royal Anne Hotel last week. He is a member of the Klang Club of Malay States. Messrs Robert Cheyne, O. St. P. Aitken, Chris. Nicholson, W. R. Trench and Hercules Worscoe were guests.

Mr. Carey, in his address to the members, said that, before he became a member of the Oxford Group Movement, he had not properly lived up to the motto of Rotary "He profits most who serves best." He had not given of his best to Rotary endeavour. He had lived a selfish life, and had been unable to gain the confidence of his 19-year-old son, who was everything in life to him. Since joining the Movement, he had lived an entirely different life and had overcome many of his worst faults which he once thought were with him for life.

Mr. D. Godfrey Isaacs, a new convert to the Movement, gave a brief outline of how the Four Absolutes on which the Movement is founded affected him. Much of his past life had been lived for self-glorification, he had always built a shield between himself and religion, he had always been terribly selfish and had little faith in his fellowmen. He was now able to look upon life in a different way, and he felt that the teachings of the Oxford Group Movement would make a better man of him and help him much in future.

Mr. Dick Bell-Irving spoke of the influence the Movement had had on a friend of his in Toronto, a Mr. Lovelaw, owner of a chain of restaurants and a multi-millionaire. He had developed a temperament that was almost impossible for anyone to get along with, in consequence of which his whole organization of between 3,000 and 4,000 men and women was on the verge of a breakdown. Neither the heads of his business or his family were able to withstand his intolerance. When the Oxford Group team came to Toronto from England, a young man of under twenty years got talking to Mr. Lovelaw and completely changed his life. In the space of only a few weeks Mr. Lovelaw had changed his attitude towards his business and staff, the whole organization was co-operating with him in a wonderful way, and several of the department heads were becoming interested in the Movement. A generally happy and harmonious attitude had replaced the former indifference and the business was returning to its former success.

"Auntie," asked little Ruth, "why do you put powder on your face?"
 "To make me look pretty, dear."
 Little Ruth thought for a moment, "Auntie," she suggested, "perhaps you are not using the right powder."

Painful Feet?

Foot Comfort Expert from Toronto will be here

Saturday, Dec. 2nd

To Give Free Demonstration

On the above date we will have at our store, through the courtesy of Dr. Wm. M. Scholl, famous foot authority, a Foot Comfort Expert from his own staff, sent here for the benefit of our patrons. We urge every foot sufferer to make the most of this unusual opportunity.

Over your stockinged feet, this Expert will make Podo-graph prints, which will show the exact nature of your foot ailment. He will then demonstrate how the scientific appliances perfected by Dr. Scholl instantly relieve your painful feet.

THIS is the year to spend Christmas in the Old Country. Ball, Games to end from seaboard are lower than ever before.

Between Nov. 20 and Jan. 5. Special Fare and a quarter Round. Tickets are on sale to Atlantic ports — with Stopovers and Return Limit of Five Months.

Any Canadian National Agent can book you through and make all reservations.

For information, call or write: Any C.N.R. Agent, or E. H. Harkness, Traffic Representative, Vernon.

CANADIAN NATIONAL

Ridiculously burlesquing mythology, "The Warrior's Husband," to be presented at the Empress Theatre on December 15th by the Kelowna Rotary Club in aid of community work and relief, is novel and amusing entertainment. Its time is 800 B. C. The picture tells the story of a race of fighting, ruling women, where men are the weakling stay-at-homes. Farical even in its most serious moments, it never hints at dignity. Dialogue putting modern slang phrases into classical mouths evokes continuous laughter. Elissa Landi heads the cast.

What has become of the old phrase, "Keep the change?"

EMBARRASSING MOMENTS

When everybody gets together to
manage everybody's business, nobody
does much about minding his own
business.—Henry Ford.

Now that everybody has a car, the
fad of horseback riding is beginning
to stage a comeback.

It seems to be generally conceded
that it's a shame for anybody to work
twelve hours a day except mother.

The idea of a five-day week, we take
it, is to provide in each week a one-
day holiday and a day to rest up from
it.

OKANAGAN MISSION

The chicken supper served by the
Women's Institute in the Bellevue Hall
on Friday of last week was voted a
very successful occasion. The hall
looked very attractive when the guests
arrived, the walls being decorated with
fir boughs and other greenery, while
the tables carried vases of chrysanthem-
ums and Michaelmas daisies in addition
to a tempting array of foods. Mr.
Johnstone, of Kelowna, with his wife
and daughter, furnished the music for
the entertainment which followed the
supper. For the first hour or so after
the tables were removed, the hall was
given up to games for the children.
When they had had a thorough romp,
dancing was the order of the day—or
rather night! The party broke up at
twelve o'clock with many expressions
of appreciation of both supper and
dance. It is estimated that about a
hundred and twelve people were served
with supper in the hall, and that num-
ber did not, of course, include the wait-
resses, etc., who were serving.

On Thursday last week, December
7th (not Friday, as formerly proposed),
at 3.30, members of the Women's In-
stitute will hold a "Market Day" in
the School, when stalls of home pro-
duce, cookery and handiwork of var-
ious kinds will be offered for sale. Af-
ternoon tea will also be served at a
very modest charge. The public are
cordially invited to come and look a-
round and see whether they do not find
"the very thing" they need!

Members of the Women's Institute
are reminded that the monthly meeting
will be held at Mrs. Rayner's at 3 o-
clock, on Tuesday afternoon, Decem-
ber 5th.

On Wednesday last week Mr. Apsey
met with an accident which might easily
have proved very serious or even
fatal. He fell headlong from the hay-
loft over Mr. Surtee's large cow barn.
Fortunately his fall was somewhat broken
by the fact that he struck the
stairs instead of falling clear on to the
concrete floor. He sustained concussion
of the brain and very severe bruising
of the shoulders and arm and chest
muscles, and had to be in bed for a
day or two, but, marvellous to relate,
came off without any more serious in-
jury and is now able to be around
again.

Mr. and Mrs. Kabella and their small
son have left the Mission and taken
up residence in Kelowna.

Mr. and Mrs. W. D. Hay returned
from the Coast on Tuesday and are
at home in their house at Cedar Creek.

Mr. and Mrs. M. T. Luckett returned
on Thursday last from Soap Lake
in Washington, U.S.A., where Mrs.
Luckett has been taking treatment.

Two coloured privates were discuss-
ing the relative merits of their buglers
after the armistice.
"Why, man, dat bugler of mah regiment
am so good dat when he plays
'Pay Day' it sounds zactly lak de sym-
phony orchestra playing 'De Rosary'."
"Hush yo' mouf, nigger. When Snow-
ball Jones wraps his lips round his
bugle an' plays de mess call, ah looks
down at mah beans an' says: 'Straw-
berries, behave yosef, you're kickin'
de whipped cream out o' de dish.'"

He called her his brown sugar be-
cause she was so sweet and unrefined.

TORONTO WOMAN BELIEVED MURDER VICTIM

Mrs. Marie Elmsley, 41, formerly of
Toronto, Ont., has been reported iden-
tified by Oklahoma city police as the
woman who was found murdered near
El Reno, Okla., on October 17. Mrs.
Elmsley had been driving from
Windsor to Fresno, Calif.

CLAIMS JUDGMENT OUTLAWED

Thomas Kelly, one-time millionaire
contractor in Winnipeg, who was sen-
tenced to two and a half years in the
penitentiary on account of graft in
connection with the Manitoba Parlia-
ment Buildings, is now living near Los
Angeles, Cal. He claims that Mani-
toba's efforts, recently renewed, to col-
lect a large judgment against him are
outlawed by the statute of limitations.

TWENTY YEARS AGO

From the files of "The Kelowna
Courier"

Thursday, November 27, 1913

"The new local militia unit, 'E'
Company, 102nd Regiment, Rocky
Rangers, now numbers over twenty
officers and men, and, outside of a few
who have practically promised to join
but have not yet actually signed the
roll, only about a dozen or fifteen
will be required to bring it up to the
full strength authorized of forty-two.
It is proposed to indent for the uni-
forms and arms within a few days and
to begin drilling as soon as suitable
quarters can be secured."

The Kelowna Troop of Boy Scouts,
under Scoutmaster Meyrick, came
through with flying colours a series
of tests in general knowledge and
Scout work imposed by Hon. and Rev.
T. R. Henegage, Provincial Secretary
and Assistant Commissioner for B. C.,
on Nov. 25th.

A twenty-year old joke: A doctor
was attending a dangerous case in a
house where the butler was a Scot. On
calling in the forenoon, he said to Don-
ald: "I hope your master's temper-
ature is much lower today than it was
last night."

"I'm no sae very sure about that,"
replied the butler, "for he de'd this
morn'."

WESTBANK

Mr. E. C. Paynter returned on
Monday from a visit to Alberta and
Montana. He is much improved in
health from his vacation.

Miss Elsie Hannam, who had spent
ten days with her parents, Mr. and
Mrs. J. W. Hannam, to help with the
wedding preparations for her sister,
left on Sunday to return to her work
at Vancouver General Hospital.

The V.O.N. held a social evening at
the Hall on Friday night. Though
there was not a large crowd, a jolly
evening was spent.

A pretty wedding was solemnized at
the home of Mr. and Mrs. J. W. Han-
nam when their daughter Ellen was
united in marriage to Mr. Ewart R.
MacNaughton, son of Mr. and Mrs.
J. B. MacNaughton, of Oliver, B.C.,
Rev. D. W. Scott, of Peachland, officiat-
ing. The bride was dressed in pink
crepe de chine and carried a bouquet
of pink and white chrysanthemums.
She was attended by her twin sister,
Miss Elsie Hannam. The groom was
supported by his brother, Mr. Carle-
ton MacNaughton. After the cere-
mony the happy couple left by car for
a short honeymoon in the States. They
will make their home at Mission City.

The annual meeting of the Women's
Institute was held in the Hall on Tues-
day afternoon, with fifteen members
present and the President in the chair.
Miss Hill, V.O.N., read an interest-
ing paper on public health and other
conveners gave short accounts of the
work done during the year. It was
decided to give a silver shower for the
Kelowna Hospital Society and \$5 from
the funds.

The new directors put in were Mes-
dames Stevens, Frank Browne, Bill
Hewlett, T. B. Reece and Dave Gellatly.
Conveners for the Fair, Mesdames
Stevens, Frank Browne, I. L. How-
lett, T. B. Reece, Allan Davidson, Dave
Gellatly and E. C. Paynter. Mrs. Hos-
kins was put in charge of the Campbell
Preventorium work. Mesdames Frank
Browne, Bill Hewlett, T. B. Reece
and Dave Gellatly will help the V.O.N.
Mrs. MacKay was re-elected Secre-
tary and is in charge of children's

RUTLAND

Mrs. John Bamling, of Diamond
City, Alberta, is visiting her father,
Mr. J. Stoddart, who has been in poor
health of late.

Brigadier-General Richard Gervers,
formerly of the Indian Army, is visit-
ing his brother, Mr. J. Gervers, of this
district, while en route for his home in
England, following his retirement from
military service.

Mr. and Mrs. T. G. S. Chambers left
on Monday for Montreal, where they
have obtained positions with a Ceylon
government agency engaged in pro-
motion of tea sales in Canada in the
interests of Ceylon tea growers. The
couple will be greatly missed from the
various community organizations with
which they have been actively con-
nected. Mr. Chambers has been Vice-Pre-
sident of the Farmers' Institute for some
time past and the director for this dis-
trict for the B.C.F.G.A., in which or-
ganization he has held the post of Vice-
President since July. Mrs. Chambers
has been Guide Captain for many years
past, and has also been an active work-
er with the Dramatic Society, and has
been an energetic member of the local
relief committee. On Sunday afternoon
the Guides and members of the Guides
Association held an afternoon tea in
honour of Mrs. Chambers, and the lat-
ter was the recipient of a pair of beau-
tiful silver vases, in token of the es-
teem of her many friends.

The Women's Association of the Un-
ited Church held their regular monthly
meeting at the home of Mrs. C. A.
Campbell on Friday afternoon last.

The B.C.F.G.A. will hold an organi-
zation meeting in the Community Hall
on Monday next, to elect officers and
form a local branch as provided for
under the new constitution. Nomina-
tions for directors for the Association
will also be received.

The annual meeting of the Rutland
Hall Society was held in the Commu-
nity Hall on Tuesday evening, with an
attendance of about forty. The chair
was taken by the President, Mr. Robt.
Ritchie, and after the minutes of the
last annual meeting had been read and
adopted the Secretary, Mr. J. R. Beale,
read the financial statement, which
showed the funds to be in good shape,
with a small surplus of revenue over
expenditures. The funds necessary for
completion of the new kitchen addition
were available and the work was near-
ing completion.

Following adoption of the statement,
Mr. R. B. McLeod voiced criticism of
the manner in which the work had
been proceeded with in connection with
the kitchen without sanction of the
committee.

The Secretary quoted the minutes of
the directors' meetings to show that
the matter had been discussed in detail,
but no actual motion was on the books
to show authorization to proceed with
the work, except that a motion had
been passed against doing the work un-
til sufficient funds were in hand to
complete it. This had been taken by
the executive as justification for pro-
ceeding when the funds did become
available. The meeting endorsed the
action of the executive in this regard.

The election of directors then took
place, resulting as follows: President,
Mr. R. T. Ritchie; Vice-President, Mr.
A. E. Harrison; Secretary, Mr. J. R.
Beale; Messrs. Earl Hardie, E. Mug-
ford, J. Ansell, A. W. Gray, Mrs. A.
Humphrey, Convener of Entertainment
Committee, Miss F. L. McDiarmid,
Miss Betty Harrison and Miss
Margaret Baldock.

school work, Miss Hill, V.O.N., pub-
lic health, and Mrs. Frank Browne
was re-elected Treasurer.

It was decided to withdraw West-
bank library from the Institute.

LEANS TO BABOON THEORY OF MAN'S ORIGIN

Dr. Davidson Black, formerly of
Toronto, geologist of the Rockefeller
Foundation Hospital, announces that
discoveries recently made near the
"Peking Man" cave at Choukoutien,
China, may prove that two million
years ago man was a baboon.

Valuable Business Site FOR SALE

PROCEEDS COMMUNITY WORK AND RELIEF

"The dog ate my cake," cried Bridey.
All a-twitter and agog.
"That's all right," answered hubby,
"We can get another dog."

Wife—I wonder why we can't save
anything?
Hubby—The neighbours are al-
ways doing something we can't afford.

Agitated Caller—I want something
to quiet my nerves.
Lawyer—But I'm not a doctor. I
am a lawyer.
Agitated Caller—Yes, I know. I
want a divorce.

Man—Did Brown lose control of his
car?
Neighbour—Completely; his wife
uses it all the time.

They brought the animals to the
Ark in pairs. All except the worms—
they came in apples.

With canned music everywhere, you
seldom find a girl now who can play
anything but an automobile horn.
Egyptians hold the fly sacred and
won't swat it under any circumstances.
We did not know there were so many
Egyptians in this country.

INSCRIPTION ON MANITOBA BOULDER AROUSES CONTROVERSY

The large boulder shown in the photograph was found at Sandy Hook, Manitoba, and a controversy is now raging over the inscription on it in Runic characters, which is held by some people to prove that roving Norsemen penetrated Central Canada long before Christopher Columbus discovered America. Some Icelandic authorities say there is no doubt of its genuineness, while others doubt its Nordic origin. The Runic characters, which are almost obliterated on the boulder by erosion, have been filled in on the photograph by an artist from a copy of the actual characters made on the spot. The boulder, measuring five feet long, three feet high and three feet in width, was discovered by A. H. Allardye, of Winnipeg, on the shore of Lake Winnipeg, forty-five miles north of Winnipeg. The lettering was declared to show that adventurers from Iceland or Norway battled their way through Hudson Bay into Manitoba in 1362. Taking their cue from the discovery of the "Kensington stone," at Kensington, Douglas County, Minnesota, in 1898, Winnipeg historians are attempting to decipher the inscription. The Kensington stone, used by a Minnesota farmer as a doorstep until brought to the attention of Prof. Hjalmar Holand, of the University of Wisconsin, bore markings identified by Prof. Holand as Runic, the same as is believed to have been cut in the Sandy Hook stone.

COLLIER BATTLES ARCTIC BLASTS

This wintry-looking picture shows the Canada Steamship Lines' self-loading coal vessel Collier as she arrived in Toronto on Nov. 17th, twelve hours overdue on her 86-mile voyage from Charlotte, N.Y. Coated with six inches of ice, and the engine room crew shovelling to keep the steam a jump ahead of sub-freezing temperatures, she beat her way at less than two knots an hour, with all hands bailing out rooms below deck.

UNITED STATES ENVOY TO RUSSIA

William C. Bullitt, author, former newspaper correspondent and a member of an aristocratic Philadelphia family, has been chosen as the first American ambassador to Soviet Russia, fourteen years after he first urged the United States to recognize the revolutionary regime. His selection by President Roosevelt occasioned no surprise. It came as a reward for his tireless efforts to restore diplomatic relations between the two nations since he made a survey of the Soviet experiment at the request of President Wilson in 1919. He participated in many of the Roosevelt-Litvinoff conferences.

MAY HEAD C.N.R. TRUSTEES

John C. Newman, of Montreal, multi-millionaire chairman of the Montreal Harbour Commission, president of the General Steel Wares Ltd., and director in a number of other companies, is rumored to be slated for chairmanship of the trustees of the Canadian National Railway. In this capacity he would be responsible for the financial direction of the railway system.

BRITISH COMMUNIST LEADER

Tom Mann, prominent British Communist, is visiting Canada. Although well into the seventies, he has lost none of his fire and sees an uprising of the workers of the world as the only hope for peace.

KIDDIES PRESENT BYRD WITH CHINA

Rear-Admiral Richard E. Byrd, Antarctic explorer, while at Balboa, in the Panama Canal Zone, was presented with a set of china by American children who are members of the Red, White and Blue swimming team. Admiral Byrd spent several days there on the s.s. Jacob Rupert, flagship of his Antarctic fleet, before proceeding southward once more. Henry J. Griesser, coach of the swimming team, is standing behind the admiral in the picture.

STRUCK MOTHER WITH CAR CRANK HANDLE

Fulford, Patrick Hardy, 22-year-old son of Senator A. C. Hardy, of Brockville, Ont., has been formally charged in a Paris, France, court with "voluntarily striking and injuring" his mother. He is shown with his wife, Betty Hill, the 16-year-old Toronto girl, with whom he eloped last January, and who is at present with her parents in Toronto. Senator Hardy first learned of his wife's injury when he landed in Havre on his way to Paris. Mrs. Hardy told her husband that their son had gone "stark, staring mad" when he allegedly struck her with an automobile crank handle.

CANADIAN BARONET

Sir John Beverly Robinson succeeded to the baronetcy recently upon the death of his father. The new holder of the title, fifth in descent from the original Sir John, is thirty-eight years old and conducts a real estate business near Burk's Falls, Ont.

GREAT DUNLAP OBSERVATORY NEARS COMPLETION

The home of the great 74-inch reflector telescope, which is being set up in the David Dunlap Memorial Park, Toronto, is shown on the left of the picture. So great will be the magnifying power of this instrument that, if focussed upon the moon on a clear night, supposing a large barn were on its surface, it would be visible. Prof. Chant states. The new administration building is shown on the right. The domes are for a 19-inch reflector telescope, a 12-inch direct lens telescope and for a number of photographic telescopes. The reflector for the giant telescope, the second largest in the world, is still being ground at Newcastle-on-Tyne, England. This is a difficult and laborious process and may still take as long as a year to complete successfully.

RUSSIAN AUTHOR WINS NOBEL PRIZE

The 1933 Nobel prize for literature has been awarded to the Russian author, Ivan Bunin. A man of many talents, Bunin has gained fame both as a poet and as a painter.

JUST CHATTER

(By ex-Kelownian)

Sunshine And Roses

Sunshine, roses in bloom and spring-like weather is the story of this Coast city just now. True for three weeks on end we were enveloped in the most persistent and perplexing fog we have known for a long time, but, however, it has vanished temporarily at least. Speaking of fog, if you have not driven in the heart of a city in a dense fog, and you want some real excitement, just try it. It took us twenty-five minutes to make five blocks the other day, and in those five blocks at least twenty times we narrowly averted accidents of a more or less serious nature.

Delectable Pheasants

While Joe Spurrier was eagerly measuring the spread of his pheasants, due to the kindness of some good friends in Kelowna, we were enjoying a lovely meal of two beauties, brought down by the gun of Doug Todd. Whether Doug's eyes are particularly good, or whether they feed them particularly well on their ranch, we do not know, but they certainly were two lovely birds, and when carrying them home they were the admiration of many.

Oxford Group Movement

Kelowna has now had a fair chance to know what the Oxford Group stands for and what it is aiming at. From reports to hand, as in other places it has left a deep impression, and whether or not its effects are permanent (and no revival has ever been 100 per cent effective in that regard), it has set the people of Kelowna thinking. The test comes when the rush of enthusiasm wanes, and when the house party, with all its mass influence, gives place to the stern individual battle, when those who are "changed" are alone. It is one thing to "share" in public, but it is another thing to continue on the high plane afterwards. Another thing to be wary of, is to remain satisfied with "sharing" and "expounding" and "changing." Unless individuals seek to deepen their own individual experience and to seek Truth, the sharing has a tendency of becoming mechanical, and there is a real danger that young people, and even older people, may "glory" in their recitation of how bad they have been. Likewise a most dangerous line is the "guidance," which may frequently become a "hunch," or "personal inclination." The Oxford Group are aware of these things but it is well to remind those who are taking the new step about it. Remember that, if God is Almighty and All-Wisdom, He will not speak a lot of rubbish to individuals. We have listened to some of the most absurd things which have been claimed as "guidance" in "quiet times." It is true that God moves in mysterious ways, but our belief is that he would not speak nonsense to a needy soul.

One more point, and that is that the church is the organized body of Christianity. It has many faults, but it is the avenue of expression, through words and service. If the result of the Oxford Group is a stimulation in Christian activity, it is well. If, however, it disintegrates, and the pleasant "house party" is substituted for the less entrancing Sunday School and leadership of groups, then there is something wrong. The test for Kelowna will be not now, but say next big festival, when there is a real urge to give way to a "good time." Six months from now how many of those "changed" will be actively leading groups of your people? There is the test. Unless the impression finds expression in activity, it will not last. Remember that the "impression of Paul, found expression in a dynamic missionary effort." We hope the results of the Group will far surpass their highest dreams.

Older Boys' Parliament

Perhaps no single agency is doing so much for the youth of the province as the Older Boys' Parliament. We sat in at a mass meeting in Vancouver Centre the other night, when the four candidates were slated to speak. Each had a sponsor. Premier Jim Ferris was in the chair, and the proceedings were an example of efficiency, even to four glasses of water on the table, instead of the usual one glass and a pitcher. Modern youth is more sanitary!!! The speeches were of very high order. Indeed many a prospective candidate would have welcomed such gifts. Heckling was active. There is nothing that will upset the average speaker on such a trying occasion as to have hecklers interjecting questions. Len Martin came in for most of this, perhaps because the others felt he was the strongest man in the field, but Len handled them in the manner of the mature statesman, and gave back answers like a shot out of a gun, showing he was plainly master of the details. His answers quickly discouraged further questioning and the ap-

BADMINTON

Kelowna Wins Closely Contested Match With Vernon

A very interesting and close match was played here against a strong Vernon team on Wednesday evening of last week.

In the men's doubles, the points were divided 2-2; in the ladies' doubles, Kelowna just won out in all four games; in the mixed doubles, Vernon led 5 games to 3, making the final score 9-7 in Kelowna's favour.

Most of the games were closely contested, and some very good play was witnessed. The Kelowna team consisted of J. Logie, L. G. Butler, D. Oliver, C. Campbell, Misses M. Taylor, J. Pease, A. Allan and H. Browne. Unfortunately, Kelowna was unable to send a team to Vernon to play on the same night, as had been intended.

On Saturday next, matches will be played with Pentiction at Pentiction and Kelowna. The Kelowna team playing here will be composed of Logie, Butler, Oliver, J. Treadgold, Misses M. Taylor, J. Pease, H. Browne and A. Allan. The players going to Pentiction are Capt. C. R. Bull, T. Hodgins, W. B. Bredin, C. Campbell, Mrs. Bull, Misses M. Stubbs, M. Miles and K. Hill.

The match here will not interfere with the usual hours of play on Saturday afternoon.

ANGLICAN YOUNG MEN'S ASSOCIATION MEETS

First Quarterly Gathering Of New Organization

(Contributed)

The first quarterly meeting of the Anglican Young Men's Association was held in Kelowna on Sunday last. There are now three clubs belonging to this organization, including those at Kelowna, Vernon and Armstrong, but the last-named club was not represented at the gathering. Great hopes are entertained that the Association in time will spread throughout the whole province. Kelowna was the first to form a club under the title of the Anglican Young Men's Club. Vernon was next to fall in line and then Armstrong. Each organization tries to help form a club in some other town, and Pentiction and Summerland are expected to make application before the end of another month.

The greater part of the meeting on Sunday was taken up in discussing and formulating rules to govern the clubs, club pins, socials and sport programmes. Although no definite schedule was drawn up in regard to basketball, it was felt by all present that there was the prospect of a very encouraging season in this branch of sport.

Officers for the ensuing year were elected as follows: President, Mr. S. Robinson. Kelowna; Vice-President, Mr. Herbert Drew, Vernon; Secretary-Treasurer, Mr. E. Hughes-Games, Kelowna; Sports Captain, Mr. Pellett, Armstrong.

Following the meeting, a very excellent supper was served by the Kelowna club.

The next quarterly meeting will be held at Armstrong on March 25th.

With canned music everywhere, you seldom find a girl now who can play anything but an automobile horn.

peal of the chairman that questions be kept to the end was almost unnecessary. So effective were Martin's replies that when at the end he said he would then reply to a question that had been asked, if it would be repeated, the heckler, was plainly embarrassed. But Martin insisted that he ask it again, and replied in a kindly but such effective manner that it completely squashed any further attempts. It was a rare little bit of by-play that the adults present thoroughly enjoyed. There is a great fight in Vancouver Centre, where at least two very outstanding candidates are entered, but where the weaker candidates have the voting strength. The outcome will be interesting.

Rushing Christmas

Already the departmental stores have decorations up, and Santa Claus has already been on the telephone and has been coming down the chimney. This effort to rush Christmas for the exploitation of the public purse seems to be very far from the original purpose. To offset this, however, there is unusually early activity among the various welfare workers to get things under way to see that no one goes hungry that day. The newspapers, numerous churches and a variety of semi-private organizations are busy. About a week ago a local radio station gave a recorded programme of Christmas carols. After the second rendering, an irate voice (of a woman of course) in no mistakeable terms told them to take that music off the air, as it was too sacred to fool around with at this season.

MOTOR VEHICLE LICENCE REGULATIONS

New Schedule Of Fees On Weight Comes Into Effect On March 1st

Regulations governing the issuance of motor vehicle licences for 1934 have been received by Dr. C. W. Dickson, Government Sub-Agent. For the information of the motoring public, these regulations are summarized in part hereunder.

In the case of motor vehicles registered for the first time during January and February, 1934, a registration fee of \$10 must be paid and also a licence fee equal to one sixth of the annual fee as at present, i.e., value, plus weight, at 67½ cents per one hundred taxation units. The applicant will be issued 1933 licence plates together with a 1934 motor vehicle extension licence. The portion of the extension licence given to the applicant will serve as a windshield sticker, similar to the interim licences granted early this year.

Licences for motor vehicles previously registered but not licenced for 1933 and for which a licence is required for January or February, 1934, may be obtained by paying a licence fee equal to one-sixth of the annual fee shown on the application. Such applicants will be issued 1933 licence plates, a 1934 extension licence and the dashboard and windshield portions of the licence.

Motor vehicles for which 1933 licences have been issued since March 1st, 1933, may be licenced for January and February, 1934, as follows: the applicant must produce the 1933 dashboard licence issued in his name and he must pay a fee equal to one-sixth of the annual fee shown. He will retain his 1933 dashboard licence and will receive the windshield portion of the 1934 extension licence issued. If he cannot produce the 1933 dashboard licence, then he must satisfy the Government Agent that he is the registered owner of the vehicle and also as to what fee he paid in 1933.

The new schedule of fees on weight only comes into effect on March 1st, 1934. The one-sixth licence fee collected in connection with issuance of 1934 extension licences must be one-sixth of the annual licence fee for 1933 for the vehicle concerned, and not based on the new schedule of fees.

All owners of motor vehicles for which the 1933 licence was paid in full on or before March 1st, 1933 will receive direct from Victoria about the middle of December a 1934 extension licence free of charge.

As there will be a monthly reduction in fees next year, licences for the year commencing March 1st, 1934, cannot be issued to persons who have not had a licence for their motor vehicle during 1933 and/or for the months of January and February, 1934, until the last day of February, 1934. Thereafter licences cannot be issued before the first day of each month at the reduced rate for that month as no leeway will be given on account of the monthly reductions. For instance, if a motorist does not pay his full fee by March 1st, he will not be permitted to drive his car until the fee is paid, as no days of grace will be allowed. If he wishes to take out his vehicle any time in March he must pay the full licence fee before doing so. On the other hand, if he prefers to wait until April 1st before putting his vehicle on the road, he can secure a licence at the proportionately reduced fee of eleven-twelfths in April.

It is the intention of the police to check up and prosecute persons found operating their motor vehicles under 1933 plates on March 2nd, 1934, and also to follow the same procedure with those persons who are found operating a motor vehicle on January 2nd, 1934, with 1933 plates and without the necessary extension licence.

The new 1934 plates will have a blue background with white letters and figures.

BASKETBALL

Kelowna Just Manages To Defeat Pentiction In Close Contest

Kelowna fans were treated to a most spectacular game between two Interior towns on Tuesday evening when the local Senior Men just managed to win the verdict over the crack Pentiction team 28-24.

It was a game that was packed with thrills from the opening whistle to the last gun. The play was even all the distance, neither team having any great advantage at any time during the entire game. With about a minute and a half to go in the final period and the locals down one point, they called time out. On resuming play the Interior champions went right after a basket and got it, when Campbell put one in from under the net to put Kelowna in the lead 25-24, and a fraction of a minute later C. Pettman cinched the game when he picked up a loose ball after the tip-off to race down the floor and score. It was a real tussle and neither team was any better than the other.

Pentiction Girls Have It All Their Own Way In Second Half

The Pentiction girls swamped the locals in the preliminary fixture 33-12. The locals were only two points down at half time but in the final half could not get anywhere. The Southern girls scored as they pleased and counted twenty points while the locals could only count one.

WORK OF VOLUNTEER RELIEF ASSOCIATION

(Continued from Page 1)

izations in Kelowna and district, and a number of ladies individually was very much appreciated. A quantity of fruit had been donated, which was made into jam, and with the assistance of Mr. Kelly and Mr. Duggan, a supply of puddings for the Christmas hampers had been made. A considerable amount of clothing has already been distributed this fall, and it was the intention of the Committee to open the clothing depot again early in December. Mrs. McEwan had kindly offered to receive donations at their store.

Mr. L. J. Kelly, reporting for the Produce Committee, stated that an advance purchase of potatoes had been made at the beginning of last season, which was a wise move, and he thought it would be advisable to do the same this year. The soup kitchen had supplied 8,000 double helpings of soup, and skim milk was supplied near the end of the season.

Finances

The financial statement, showing receipts and disbursements for the period ended June 30th, 1933, revealed a balance in hand of \$175.41. Subscriptions and donations amounted to \$1,138.78, which, added to the balance of \$22.61 carried over from the previous year, made the total receipts \$1,161.89. Disbursements were made as follows: Relief, consisting of groceries, boots, clothing, medicine, coal, wood, etc., \$852.24; cash donations, \$95.55; stationery and postage, \$7.96; sundry expenses, \$74.43; total, \$963.18. Amounts advanced and repayable, \$22.80, added to total disbursements, increases the total to \$985.98, leaving a balance in hand of \$175.41.

In reply to a question, Mr. H. Anderson, City Relief Officer, reported that, of those on city relief, 68 per cent were British and Canadian born, 10 per cent foreign born, and the balance naturalized foreigners.

Election Of Officers

The following officers were elected for the ensuing year: President, Mr.

All 1933 motorcycle, chauffeur's, driver's salesmen's and trailer licences are good until February 28th, 1934, without payment of any further fee.

H. A. Willis; Vice-President, Mr. L. J. Kelly; Secretary, Mrs. F. Aylen; Chairman of the Clothing Committee, Mrs. H. W. Arncliffe; Chairman of the Produce Committee, Mr. Kelly; Finance Committee, Miss F. Heron, Mr. H. V. Acland, Mr. H. Blakborough, Mr. O. L. Jones.

During a discussion of the cutting off of the water supply in cases where rates could not be paid, Mr. Anderson pointed out that the city by-law stipulated that, if water rates were not paid by a certain date, the water would be cut off at the end of two months. However, it was not thought necessary to trouble the City Council about this matter as there were only five cases where the water had been turned off and no one had suffered. Ald. Jones had taken up the question with the Council, which had guaranteed water to any one who might suffer otherwise.

The Rev. Mr. McPherson then gave some of his ideas regarding ways of earning relief, stating that he had been investigating various procedures taken by churches and relief organizations in

other cities. One suggestion, called the "Swap Plan," was of gathering surplus eggs, vegetables, etc., and placing them in a store, the idea being that work would be swapped for the goods required. Further discussion on this idea was left for the next meeting.

On a resolution moved by the Rev. Mr. McPherson, it was decided to write the Provincial Government, asking that legislation be arranged whereby municipalities can obtain labour in return for direct relief.

Mr. Acland suggested that a number of young girls and married women might be trained at nursing and house-keeping, as there was a tremendous need amongst the sick for such help, but it was found that Dr. Willis and Miss Finders, who were at the meeting, were already working on this project.

In closing, a vote of thanks was given to Mr. Edward Boldege for heating, cleaning and generally taking care of the room used by the ladies clothing committee, and to Mr. W. S. Dawson for auditing the books.

The meeting then adjourned.

Special Menu - - AFTER THE SHOW

Why not drop in and try CHILI CON CARNE? If you have never eaten it, you have a surprise in store!

"Come up and let us tell your fortune, some time." Mac West isn't here, but OMAH IS!
